Welcome letter from Staff and Committee

We would like to take this opportunity to wish you a very warm welcome to Busy Bees Ledbury. As a new parent, we would like to inform you about our structure in order for you to understand a little bit about how we run. We are parent committee run with a board of five parent Directors who employ the staff you will meet on a daily basis. As Busy Bees is a charity, we have to rely on the support of parents for its continued survival. The funds we receive each term cover staffing costs and other essential running costs such as rent, snack and insurance but there is also the need to keep all of our resources including toys and educational supplies updated.

We would very much appreciate any help you are able to offer. You will receive fortnightly newsletters which will detail what we are doing and the help we require. In addition to this, you can keep up to date with news, events and information by 'liking' our Facebook page. Please feel free to comment on and share our posts as this all helps promote us. If you would be interested in joining the Committee, please complete the attached 'Parent Helper' form at the back of this pack. We are always looking for new members with fresh ideas for fundraising events.

If you have any questions please ask a member of staff. Staff can also pass on details to a Director should you require more information.

We look forward to your support and hope that you child's time at Busy Bees are a happy one for you and your child.

Busy Bees Ledbury Terms & Conditions

Who are We?

Busy Bees Ledbury is a parent Committee run childcare provision and has been existence for more than thirty years. We are members of the Preschool Learning Alliance and are a registered charity. In April 2018, we moved into our new premises in the building previously known as Ledbury Youth Centre. We offer:

Breakfast Club from 7:30-9am Monday to Friday for children aged 3-11 years

Preschool Sessions from 9am-12pm and 12pm-3pm Monday to Friday, term time only for children aged 2 – 5 years

After School Club from 3pm-6pm Monday to Friday for children aged 3-11 years

Holiday Club: to resume operating soon!

What can we offer your child?

We recognise that parents are the first and most important educators of their young children. Busy Bees Ledbury aims to work in partnership with parents to ensure that each child reaches their full potential whilst having a fun time and becoming sociable and confident in their surroundings.

Our aim is that every child:

- is in a safe and stimulating environment;
- is given generous care and attention and because of our ratio of qualified staff to children has the chance to join with other children and adults to play, work, learn and be together
- is encouraged to take forward her/his learning and development by being helped to build on what they already know and can do;
- has a personal key worker who makes sure each child makes satisfying progress and all of their needs and met.
- is in a setting that sees parents as partners in helping each child to learn and develop
- is in a setting in which parents help to shape the service it offers.
- is able to develop physically, intellectually, emotionally, socially and spiritually at their own pace and with the support of caring and enthusiastic staff

How do children at Busy Bees Ledbury learn?

Play helps young children to learn and develop through doing and talking, which research has shown to be the means by which young children learn to think. Our setting is required to follow the Early Years Foundation Stage and we plan and provide a range of play experiences which help children to make progress in each of the areas of learning and development. In some of these activities children decide how they will use the activity and, in others, an adult takes the lead in helping the children to take part in the activity. Outdoor activities contribute to children's health, their physical development and their knowledge of the world around them. The children have the opportunity, and are encouraged, to take part in outdoor child-chosen and adult-led activities, as well as those provided in the indoor environment.

Our Butterfly Group is for children due to start school the coming September. Children in this group participate in daily phonics sessions, separate story times more suitable for their age and also have opportunity to join our weekly Gardening Club and Forest School sessions. Once a week, children in the Butterfly group participate in fun, stimulating PE sessions. You will be given more information on Butterfly Group once your child becomes eligible.

Session Times and Fees:

Preschool Fees: Fees are invoiced on a half termly basis in advance and must be paid within 7 days of receipt of the invoice. Payments are made through BACS – we do not accept cash or cheques. We advise you to read our Late Payment policy to ensure you understand procedures should payment not have been received within 7 days of receipt of invoice. If your child is ill or absent from Busy Bees, no refunds can be given. Should the preschool have to close due to unforeseen circumstances such as an infectious disease or adverse weather, refunds will not be given. Once you have signed to accept these Terms and Conditions, 4 weeks written notice is required to change or cancel sessions. Should parents fail to provide us with 4 weeks notice, they will be invoiced for the booked sessions for a period of 4 weeks. Should you remove your child mid-term, you will also be required to pay 4 weeks notice. This also applies to Nursery Education Funded (NEF) children. Failure to give 4 weeks notice will result in you being invoiced for the sessions you have booked for a 4 week period.

We advise you to read our Late Payment policy to ensure you understand procedures should payment not have been received within 7 days of receipt of invoice.

Lunchtimes at Preschool:

Children attending the breakfast club will be provided with a healthy and nutritious buffet style breakfast. During preschool hours, we provide a healthy cafe style snack for your child during morning and afternoon sessions, including a drink of milk or water. Children attending the morning session at preschool will sit down for lunch at 11:30am. Children attending the afternoon session will sit for lunch at 12:00pm. If children are attending just for the morning, or just for the afternoon, lunch is optional. Parents are required to provide healthy packed lunches in named lunchboxes. All packed lunches must contain an ice pack to keep the food fresh. In accordance with our Packed Lunch policy, fizzy drinks, chocolate bars and sweets are not permitted. Children at after school club will be given a healthy snack when they arrive at Busy Bees, including a drink. Your child is welcome to bring their own drink to sessions as well if you would like but it must be clearly labelled. Should your child have any allergies, intolerances or specific dietary requirements, then please complete the appropriate section on the Registration form and inform a member of staff.

Outside Activities:

At Busy Bees, the children can access the outdoor areas in all weathers, throughout the session. We value the benefits of outdoor play and learning so would appreciate it if you could send your child in wearing clothes which you don't mind getting muddy. In the warmer Summer months, all children will need to have sun cream applied by you prior to arriving at Busy Bees. If your child is with us for a full day, we will apply a second application of sun cream at lunchtime after you have previously applied sun cream prior to your child arriving at 9am. They **must** have a sunhat in order to fully enjoy outdoor play activities. In the colder, wetter weather, children must have wellies and a warm, waterproof coat.

Collection:

In case of emergency, Busy Bees phone numbers are 01531 634556 or 07584 514 147. Prompt collection is essential at 12pm and 3pm. Should children be collected late, the conditions set out in our Late Collection policy will apply.

Dress code at Busy Bees:

There is no compulsory uniform at Busy Bees. However, Busy Bees hoodies, polo shirts and t-shirts can be ordered. We would also suggest that your preschool child wears comfortable, old clothing. It is preferable to avoid jeans with a button and zip, dungarees and any clothes that prevent your child being able to use the toilet independently. Aprons are provided for messy play and whilst washable products are used (pens and paints) there is no guarantee staining will not result from spills. All clothing must be labelled please. All children will need a change of clothes in a named bag please.

Behaviour:

At Busy Bees, all children are free to develop without fear of being hurt or hindered. Our staff praise and encourage good behaviour and, where there is unacceptable behaviour, offer children one-to-one adult support to help them see what is wrong and how to cope more appropriately in the future. It is our aim to work with the children so they can develop self-discipline and self-esteem in an atmosphere of mutual respect and encouragement. Behaviour is managed in accordance with our Behaviour policy

Illness:

We will refuse to accept children at a session who present symptoms for any contagious illness. If your child has had sickness and/or diarrhoea, they will not be accepted back at Busy Bees until 48 hours have passed since the last episode of diarrhoea or vomiting. This is to prevent the illness passing to other children and/or staff. We also consider children to be too unwell to attend if they have had Calpol or Nurofen for Children prior to a session. Please note that we are unable to give Calpol or Nurofen to a child during a session.

Head Lice:

We will not actively check your child's hair for signs of head lice; however, should we notice any infestation you will be advised and asked to treat promptly. Should you require any information or guidance on how to treat the problem, the staff will be pleased to advise you.

Accidents:

In the event of a serious accident, staff will attempt to telephone parents or the emergency contacts provided. The child's own Doctor may also be contacted. Should a child need to receive emergency treatment away from Busy Bees, a member of staff will accompany the child to either a surgery or hospital until a parent/carer arrived. All major and minor accidents are recorded in the 'Accident File'. We are required to keep a record of all accidents if and you approached by a member of staff to complete an accident record, we would appreciate your co-operation. If your child has had an accident prior to a pre-school session, you must inform a member of staff. This will then be recorded in our 'Existing Injuries' record. This is very important as a previous injury may impact on the child's behaviour and health during a session.

Medicines:

Busy Bees must be advised of all medication that your child may take on a regular basis. We are unable to give any medicines unless they have been prescribed by a Doctor so we are unable to administer medicines such as Calpol or Nurofen for Children. If your child requires prescribed medication during a session, we will require you to fill out a page in our 'Medication Record' detailing the medication, dosage and times of dosages. We will also require you to provide a signature of consent. Staff will complete a record detailing the times and dosages when the medication has been administered and you will be required to countersign this record when you collect your child.

Leaving your child:

We will work with parents to make the transition into life at Busy Bees smooth as possible, especially preschool children. It may take some children longer than others to settle and this is nothing to worry about. Parents may be requested to go, stay or come back in a short time span, whichever is deemed appropriate for that child. Our aim is for each child to make the break with home as confidently and happily as possible. The only exception to this is when coming for your free settling in session when a parent/carer must remain with the child.

Your child can only be collected by the people named by you. If you arrange for someone else to collect your child, please ensure that you inform a member of staff. If it is someone we do not know, we will agree a password with you which the person collecting will have to give us before we release the child to them.

The role of Parents/Guardians:

Busy Bees is run under a constitution set out by the Preschool Learning Alliance. The PLA recognises parents as the first and most important educators of their children and Busy Bees aims to support parents. Parents are welcomed:

- To work in the group with the children
- To assist with fund-raising
- To take part in the management of Busy Bees
- To have input in and join us at special events such as our Christmas Production and Sports Day
- Join us on short outings such as trips to the library and the park

We also require you to assist us in the completion of your child's Learning Journey by adding your own notes, observations and photos.

Child Observations:

We occasionally have staff and/or students at Busy Bees completing course work. If the staff member or student would like to observe your child as part of their studies, they will be required to write to you to request permission. You are not obliged to give permission and you have the right to withdraw permission at any times. Please speak to the Manager or Deputy Manager should you have concerns.

Change to Family circumstances:

Changes in your family environment, however subtle, can have a very unsettling effect on your child. Please help us to understand any changes in their behaviour by advising us of recent or imminent events that may be on your child's mind (e.g. a new baby or moving house.)

Social Networking:

We understand that many parents whose children will be attending Busy Bees will be using social networking sites including Facebook and Twitter.

We ask you to respect the privacy of the setting including children, parents, staff and Directors when using social networking sites. Children, parents, staff and committee members must not be identified when discussing the setting in order to maintain confidentiality and privacy. In addition to this, we would appreciate it if photos from any event such as our Christmas Nativity, Sports Day etc were NOT uploaded to social networking sites in order to respect the privacy of other families. We appreciate your cooperation with this matter.

You can find us on Facebook (Busy Bees Ledbury) and Twitter (@BusyBeesLedbury)

Learning Journeys:

Busy Bees keeps an online Learning Journey for each child, detailing information about your child's needs, activities, interests and achievements. Observations are carried out daily by your child's key person to identify your child's interests and stage of progress and to help develop their learning. We ask that you contribute to your child's Learning Journey by commenting on our observations and uploading your own observations, photos and videos. The Learning Journeys are used as a basis for assessment, particularly when we track your child's progress each term and write their report in the Summer. It helps if the Learning Journeys contain information on what your child has been doing at home so we really appreciate your cooperation with this aspect of your child's time with us. We display children's work around the room and photographs of the children at play this will hopefully help with your understanding and involvement of their learning process. We hold meetings in the Summer term where we share your child's progress and discuss their next steps. Should you at any time have any concerns about your child's progress, then please speak to your child's key person in the first instance.

Safeguarding:

Safeguarding means protecting children from maltreatment and preventing the impairment of children's health or development. Safeguarding procedures ensure children are growing up in circumstances consistent with the provision of safe and effective care. At Busy Bees, we take our responsibility very seriously and have an effective Safeguarding policy in place as well as a Whistleblowing policy. We ensure all staff members are suitable to look after your children as we interview, insist on references, question any gaps in employment history and all staff hold current Enhanced DBS checks. No one without a DBS will ever have unsupervised access to any of the children. We have risk assessment procedures in place to ensure the environment is safe and secure. We always have at least 2 staff with Paediatric First Aid should children require treatment. If at any time you have any concerns about the welfare of any children within the setting, you should speak to the Manager in the first instance. Please read our Safeguarding policy to ensure you understand procedures. Please be aware that we have a duty to ensure all children are safe from harm. Should we have any concerns about a child's welfare in their home environment, we have a duty to report this to MASH (Multi-Agency Safeguarding Hub)

Attendance:

We expect you to notify us should your child not be in for a session. Should we not hear from you, then we will make contact by telephone or text. We have an attendance policy in place to manage concerns about attendance.

We reserve the right to terminate a child's funded sessions in accordance with our Attendance policy should there be persistent concerns about attendance.
